- Sale of Municipal Reserve Parcel - 23 MR Bow City - **motion to proceed with tendering process was carried**
- Support for the Upgrade of SH873 from City of Brooks South Boundary to Kinbrook Island Park Access Road - **motion to approve was carried**

## MUNICIPAL SERVICES BUSINESS

- Utilities - NRSC Report
- Director of Municipal Services Report - Officers issued six warnings, six tickets, and conducted 18 investigations.
  - As of March 6, Brooks Animal Protection Society (BAPS) is full and cannot accept dogs, so the County is directing callers to contact other service providers for at-large dogs, while the Department or RCMP will respond to reports of aggressive animals.
  - The Department is now live with Taber Police Service for enhanced Officer monitoring, while transitioning from Omnigo to iNet records management software, expected to be complete by June 30.
  - Grader Operators completed 19 days of tree cutting and one day of snow removal; now transitioning to summer grading.
  - Thawing gravel roads present operational challenges; operators are preserving road crust for safety, not cutting into the roadbed.
  - DK Blading Services will train 5 Grader Operators over two weeks to prepare newer staff for summer grading.
  - Truck Drivers continue stockpiling, now 84% complete (up from 67% last report).
  - Tree and brush cleanup, including Kinbrook Connection Pathway causeway
  - 2025 Dust Abatement applications are open
  - Street sweeping for Hamlet paved roads is scheduled for the first week of May, weather permitting.
  - Annual Overhead Crane training completed.
  - Phase II Contract 3 (Bassano, Gem & Rosemary) construction continues, with Substantial Completion Requests remaining at 66%
  - Lake Newell Resort Blocks 1 (Blue Heron) & 4 (White Pelican) Road Rehabilitation project open house for residents was held for March 26 from 3:30 to 7:30 PM. More than 35 people attended
- Policy Review
  - POL-O69-25 Drainage – County/EID Joint Projects
  - POL-O70-25 Farm Field Drainage

## POST AGENDA ITEMS

- Councillor Christman wants to put her name forward to be on the Board of Directors for the Federation of Canadian Municipalities. Council supports her decision and accepts all associated fees.
- Letter of Support - Implementing Boat Dip Tank Technology - Invasive Species Prevention - **motion to approve providing a letter of support signed by Reeve Doerksen was carried**
